ERIC NICHOLAS DUNLEAVY

Finance Student | University of Oklahoma | eric_dunleavy@yahoo.com

PROFILE

University of Oklahoma finance student with internship experience in sales, customer outreach, business operations, technical field testing, and manufacturing. I bring a practical, hands-on approach to research, data analysis, problem-solving, and working across teams.

EDUCATION

University of Oklahoma — Bachelor of Business Administration, Finance

Expected May 2027 | GPA: 3.35 | Norman, OK

Managerial Accounting, Corporate Finance | Sooner Racing Team

EXPERIENCE

Sales Intern | Ferguson · Nashville, TN

May – August 2026

- Rotated through warehouse operations, inside sales, and customer service to learn business operations across departments.
- Supported customer outreach, phone calls, and daily inside sales activities, strengthening communication and relationship-management skills.
- Worked with cross-functional teams to address operational challenges and resolve customer concerns.

Inland Oil Rig Intern | Turbo Drill Industries · Hobbs, NM

May – August 2024

- Conducted field testing of an experimental product on an active oil rig, evaluating real-world performance and reliability.
- Collected and analyzed field-test data to identify potential issues and support product improvements.
- Troubleshot technical issues on-site and collaborated on solutions to reduce testing interruptions.

Shop Intern | Turbo Drill Industries · Conroe, TX

May – August 2023

- Assisted with drill manufacturing and assembly while learning production processes, equipment, and quality standards.
- Gained hands-on exposure to heavy machinery and CNC equipment, precision manufacturing, and workplace safety.
- Worked with technicians on production challenges and shadowed management in planning and operations.

SELECTED PROJECT

Excel Loan Amortization Calculator

Built an interactive loan calculator covering monthly payments, total interest, repayment schedules, and extra principal payments to compare interest savings and payoff timelines.
